The Housing Alliance of Valley Employees - South Texas Region (HAVE-STR), invites you to take part in this sponsorship opportunity. The mission of The Housing Alliance of South Texas is to ensure that all Texans, especially those with low income, have access to safe, decent and affordable homes.

Formed in 1985, the Housing Alliance is a growing and influential membership organization. Members help set the agenda, elect our leadership and shape action all while representing the needs of our communities. We emphasize education as a pathway to long-term stability and success, offering resources and support to help individuals and families achieve their academic and career goals.

This event is a fundraiser to provide low-income high school graduating housing residents with scholarships, as they pursue career development and educational advancement. HAVE-STR aims to advocate for education as a pathway to opportunity and stability, empowering individuals and families. Your sponsorship will help make a lasting impact.

Enclosed you will find information on sponsorship packages available to you/your organization.

**Respectfully,
Rodolfo "Rudy" Ramirez
President of HAVE-STR**
